## **About Us**

### **i) INTRODUCTION**

Welcome to Jagat Kumari Academy, where we strive to provide a nurturing learning environment for our students. With our dedicated and trained faculty, we are committed to create a safe and inclusive learning environment.

Jagat Kumari Academy is a non-profit school founded under the name Jagat Kumari Pradhan (Beloved Mother of Hon' Dhruba Bahadur Pradhan). This school was established feeling the need of providing quality education to under privileged children of Sahuwatar and its periphery.

The school began its journey on 2072 B.S. with 35 students and 9 staffs. Initially, classes from play-group to grade I were offered. Now, classes from play-group to grade VII are run in this academy.

### **ii) MISSION**

Our mission is to empower our students with knowledge, critical thinking skills and passion for lifelong learning. We strive to instill them with a sense of social responsibilities, ethical values and the ability to adapt to a changing community.

### **AIM**

We aim to shape our students to become a confident, compassionate and successful global citizen in future.

## **MESSAGE FROM FOUNDER CHAIRMAN**

Jagat Kumari Academy is dedicated to my beloved mother Late Jagat Kumari Pradhan. As a founder, I am deeply committed to staying at the forefront of educational

innovation. I started my education in an informal way walking bare footed on a dirt road crossing Jharahi river, to a forest in a thatched hut, a school nearby Sahuwatikar. It was challenges of then. With the notion to provide opportunities to the children of my village and its periphery, to enable them to compete

at present, I wish this academy can be a little help. I value the power of a supportive and inclusive community and believe that the academy provides a safe

and nurturing environment where every student feels respected, valued and empowered to embrace their individuality.

I would like to express my gratitude to our dedicated parents and guardians for entrusting us with the education and well-being of your children at this academy.

## **LEARNING PEDAGOGY**

The choice of pedagogy depends on factors like subject matter, learning goals, students' behavior and available resources. This helps children in their intellectual

as well as social development that helps develop their full potential and develop a strong academic foundation for further studies.

In order to facilitate effective teaching and learning experiences, a child-centered teaching approach has been adopted in primary level which includes behaviorism,

cognitivism, enquiry-based learning and collaborative learning.

## **ADMISSIONS**

Jagat Kumari Academy enrolls students from diverse background and believe in providing equal opportunities for all. Attractive scholarships are available for needy and deserving students.

We encourage you to visit school administration for more detailed information.

### **i) General Information**

The academic session at Jagat Kumari Academy begins every year in the first week of Baisakh. The academic session is divided into four terms which is ended by the conduct of terminal examination. The final examination result is evaluated on the basis of average marks obtained throughout the four terms.

Other information relating to school activities including exams and holidays are mentioned in the school calendar.

### **ii) Discipline**

All students are required to be regular in attendance. In case of absence, a written application has to be submitted signed by parents/guardians.

All students are required to be punctual.

All students are expected to show exemplary behavior at all times.

All students are prohibited from bringing electronic gadgets.

### **iii) Parents-teachers' meeting**

Parents-teachers meetings are held timely to share information about students' activities and their academic growth. Necessary steps are to be taken as per the necessity of students for further improvement.

## **ECA**

Jagat Kumari Academy believes that education should not be limited to classroom activities. In order to explore students beyond classroom, we offer wide arrays of extra-curricular activities which include sports, dance, arts, music, drama etc. These activities help students explore their best interests apart from academics.
